

Criteria for funding

Funding for courses relating to coaching/teaching will be reimbursed in two stages. 50% of the course costs will be reimbursed after 6 months of regular weekly poolside assistance. The other 50% of the course costs will be reimbursed after a further 6 months of regular weekly poolside assistance.

Club Members that have already been involved in helping on poolside may be awarded a donation towards the costs of the course prior to the start date. This will be discussed at a Committee Meeting and will take into consideration the length of commitment and the role the Club Member has had within the Club.

For Club Members who also have educational commitments, such as university, Melton Mowbray Swimming Club would be prepared to adjust their policy so that the first payment came after 26 weeks of poolside help which need not be consecutive weeks. The final payment would work along the same lines.

Applicants will also be expected to apply for funding directly from the ASA where at all possible. Any funding will be deducted from the cost of the course.

The above policy is, of course, subject to sufficient funds being available.
